Curious George Goes to the Zoo English Edition eBook H

George is really excited to visit a "Wild Animal Zoo" in which the animals roam free. When George falls off the tour bus, it seems as if he might be in real trouble, but, as usual, George's curiosity leads him on to save the day. I love the charming vintage style drawings as well as the page listing facts about the animals in the story to satisfy the curiosity of young readers. Recommended for ages five through nine and nostalgic adults who love Curious George.

Curious George Visits the Zoo by Margret Rey Goodreads

"Curious George Visits the Zoo" by Margret Rey was a cute little story about a silly monkey who went to the zoo. He saw the zoo keeper with a bucket of bananas after taking the bucket he decided that he should save the day for a little boy. He gives the bananas to the monkeys so that he can get the balloon back to the little boy. I think this is a great story for teaching children to do the right thing.
