The School for Good and Evil by Soman Chainani

I was searching for a middle grade book with complicated characters and interesting themes; that is exactly what I found in The School for Good and Evil. Friendship is one of the things this book focusses on most. Agatha and Sophie look like a pair that no one would expect, but their bond continually survives all the obstacles thrown at them. Ultimately it is what's most important in their lives.

A World Without Princes by Soman Chainani Goodreads

The School for Good and Evil had some worrisome themes, but I was hoping they would be cleared up in A World Without Princes. Actually, though, the messages of the series have only gotten more upsetting with time. Though I did still really enjoy listening to the book, and Lee's narration is totally on point, I can no longer ignore the rage-inducing aspects.
